

**The  
California Indoor Archers**  
a USA Archery  
Junior Olympic Archery Development Club  
and Adult Archery Program  
**By-Laws**

- The South Bay Archery Lessons' (SBAL's) Junior Olympic Archery Development (JOAD) club shall henceforth be known as the California Indoor Archers (the CIA).
- Membership shall be open to youth 8-20. There is also an Adult Archery Program within the CIA.
- Our priorities are safety, fun, and form, in that order.
- Annual membership is \$50, which includes a club polo shirt, an exercise stretch band, and a USA Archery lanyard and achievement pins.
- Water will be provided.
- Monthly coaching is \$100 and is due on the first Saturday of the month. Dues are not prorated unless an archer must miss an entire month.
- No one may join without first attending a safety lesson. It is recommended that archers have an initial private or group lesson prior to joining.
- We meet 4 Saturdays per month, including months with 5 Saturdays.
- Testing in tournament conditions for advancement (pins) is the 4<sup>th</sup> Saturday of each month. The required attire for all tournaments is the CIA club polo and khaki pants or shorts.
- Once members earn their white achievement pin (4 stars,) they are required by USA Archery to join the organization before earning any more pins. Members must also join USA Archery in order to compete in tournaments.
- CIA members may miss no more than 3 consecutive JOAD classes, without a valid excuse, to maintain an active membership. This is due to a potential waiting list for those who wish to join the club, but do not have a spot.
- Members are responsible for any SBAL equipment borrowed. Equipment is loaned only for the duration of the session and may not be removed off site. After 4 months, it is recommended that members purchase their own equipment.
- Coaching is by qualified staff only; parents are spectators. Parents may be asked to help out, but should not interfere with instruction.
- A parent or legal guardian must be in attendance for each youth during the session. Siblings need only have one parent/guardian present.
- Discipline issues are to be handled by parents; unsolvable issues will be settled by members being asked to leave. There are no refunds.
- Parents may be trained to become USA Archery trainers at a discounted rate.
- By-laws and rates are subject to change.
